Brevard Association of Human Services (BAHS) is a professional health and human services group serving Brevard County Florida with a focus on education, networking, and community service

About BAHS

The mission of BAHS is to improve the quality of healthcare and human services provided in Brevard County.

BAHS provides opportunities for its members to network and work cooperatively to serve Brevard County. Networking increases the referral base for many companies and working cooperatively serves every business well.

HISTORY

BAHS began by a small group of professionals in the human service industry. This groundbreaking group recognized the value in networking. They were established to increase awareness of community providers, thereby improving services available to their clients.
